

ENVIRONMENTAL POLICY

Loris H Hassall Trading PTY LTD is committed to providing workers and the public with a safe and healthy working environment by conducting its business with high standards of integrity and concern for the environment.

Loris H Hassall Trading PTY LTD will maintain an awareness of community expectations in regards to the environmental performance of its operations. Accordingly, it will operate in a compliant and socially responsible way that is consistent with its business goals.

In pursuit of high standards of environmental care, Loris H Hassall Trading PTY LTD will:

- Meet or exceed all applicable Environmental Laws and regulations
- Incorporate environmental considerations into our business design and planning processes;
- Foster the sustainable use of natural resources by promoting pollution prevention principles i.e. reduction of waste, recycling and reuse of input materials;
- Work with the community, customers and suppliers to address mutual environmental concerns;
- Measure our progress in protecting the environment with a view to continually improving our environmental performance;
- Ensure that workers are aware of their responsibility to the environment and provide them with adequate leadership, training, systems and resources to comply with that responsibility;
- Encourage suppliers, vendors and contractors to comply with environmental legislative requirements and practices.
